

Quick Release

This fast-action corkscrew has just hit the asian market. Made of solid polycarbonate and zinc alloy with a hardened steel Teflon screw, the Pull It Corkscrew extracts the cork from a bottle of wine in less than three seconds. Designed and created by a US designer and manufactured under the strictest of quality controls, Pull It offers an affordable option to the wine industry and wine enthusiasts alike while still delivering state-of-the-art function and materials.

Please contact the manufacturer, Pacific China Industries, for all enquiries. E-mail: kush@netvigator.com, tel: (852) 2893 6125 or fax: (852) 2891-7962.
